Dear Community Partner,

Every April, FaCT commemorates Blue Ribbon Month by encouraging all 16 FaCT Family Resource Centers to hold events and activities to promote the visibility of child abuse prevention throughout Orange County. This upcoming year the FaCT platform has one unifying activity that highlights the hard work of every FRC. We ask each FRC to have children participate in designing a flower to represent their community. One flower is chosen from each FRC and placed on a Blue Ribbon for T-Shirts worn at community events.

To join us in preventing child abuse in Orange County, we are asking for a donation for your organization’s logo to be placed on 300 shirts throughout 16 OC FRCs. Your sponsorship would go through the Family Bridge which was developed to provide funding to families in need additional support in the new normal.

Please contact Jennifer Lopez at jennifer.lopez@factoc.org or (714) 566-2847 for more information.

Sincerely,
The FaCT Team
