

STRENGTHENING FAMILIES IN ORANGE COUNTY FOR OVER 25 YEARS

Community Engagement Advisory Committee

Many of our Family Resource Centers (FRC) have a Community Engagement Advisory Committee (CEAC). CEACs are made up of community member volunteers who are resident leaders and ambassadors of FRC services. In this highlight, we will be showcasing a handful of their accomplishments the last few months.

This October, Stanton FRC CEACs, presented to the Stanton Parks and Recreation Commission.

In April, Westminster FRC CEACs were recognized by Westminster City Council with a Certificate of Appreciation in honor of Child Abuse Prevention.

In July, Oak View FRC CEACs were recognized at the Huntington Beach Mayor's Spotlight Awards.

El Modena FRC CEAC embraced their leadership by using their collective voice to advocate. They created a subcommittee, "Padres Unidos", to advocate for education equity at one of their local schools. In partnership with Resilience OC, they have been providing leadership training, public speaking skills, and advocacy skills. They have attended Board Meetings at the OUSD, been part of ADA Transition Plans, and led neighborhood walks to share areas of concern with OC Public Works. They collaborated with CAP OC for their Community Needs Assessment, by canvassing their neighborhoods. They asked to meet and share their concerns with Supervisor Vicente Sarmiento, which led to a town hall. Most recently, CEACs went on another neighborhood walk to identify repairs needed on the sidewalks, streetlights, and roads. Additionally, one of the CEACs has become a Trusted Leader in our GetHelpOC campaign. They have many other projects at hand as they know their leadership's impact on the lives of their children and the community.
